※Explanation:

1. Community involvement :

Dayou Community volunteers introduce the history and culture of the community, Taiwan's traditional ancient, green and environmentally friendly parks, so that foreign youth volunteers can understand the role of community volunteers in non-profit organizations and their contribution to the local community.

2. Taiwan Food Exchange :

Prepared by the elderly in the community, the traditional Taiwanese snack "麥仔粿(Mài z gu)", first introduces the source of the material of Mai Tsai, and then produces it with foreign youth. With the production of "麥仔粿(Mài z gu)", in addition to allowing foreign youth to taste traditional Taiwanese snacks, Communicate with the community elders.

3. Cultural exchange :

Foreign youths share their country's culture and history through briefings or wear their own national traditional costumes to introduce their country's wear, and enhance the world view of the community with the exotic culture of foreign youth.
